PMR – a leading market research firm in Central and Eastern Europe.

PMR provides **industry analyses, market research** and **economic forecasting services** for the region of Central and Eastern Europe.

The company was founded by a group of investors from the USA and Poland who were later joined by shareholders from the UK and the RSA.

Currently, PMR is a provider of analyses, research and forecasts for **global players** interested in Central and Eastern European markets, with a portfolio of over 2,000 conducted projects.

We specialise in research and analyses:

- of the retail, IT, telecommunications, construction, pharmaceutical and medical markets
- covering Central and Eastern Europe (CEE), in particular Poland, Russia, the Czech Republic, Slovakia, Hungary, Ukraine and Romania.

We also have extensive experience of conducting projects on other industries (e.g. agri-food, FMCG, consumer electronics, household appliances, cosmetics, manufacturing, e-commerce, HoReCa) and countries (we have carried out projects in more than 30 countries).

The quality of our services and products is ensured by the team of around 80 staff, including:

- analysts of the ICT, construction, medical and retail markets
- a team of macroeconomics, forecasting and econometric modelling experts
- quantitative researchers
- qualitative researchers
- data visualisation and data analysis experts
- specialists in quantitative and qualitative fieldwork.

PMR offers:

- **Periodic reports** on the Retail, Construction, Pharma & Healthcare and ICT markets in Central and Eastern Europe. The reports include information on market size, shares of major players, trends and events in the sector under review. Detailed forecasts, accompanied by insightful commentary, form a key part of the reports. The forecasts are prepared by a team of econometric modelling experts and industry analysts.
- **Customised market sizing and forecasting** services, conducted on clients' request.
- **Quantitative and qualitative market research** services carried out with the use of CATI, CAWI, FGI, IDI, expert interviews and other methodologies.
- International quantitative and qualitative **fieldwork services** in the CEE region for market research agencies.

PMR's clients are mainly multinational companies operating in the CEE region, state institutions, consulting companies and international market research agencies. We boast a portfolio of **over 2,000 completed market research projects**.

We operate an in-house CATI studio and collaborate with a network of subcontractors throughout the CEE region.

PMR has its head office in Krakow, Poland. In 2022 we have launched another location in Poznan, Poland.
