ABOUT PMR

We are PMR (www.mypmr.pro), a dedicated team of market research and analysis experts specialising in Central and Eastern Europe. We are focussed on the following sectors: Construction, Retail and FMCG, Pharmaceuticals, Healthcare, IT and Telecommunications and our services include market reports, proprietary forecasts, insights, statistical databases, product databases, investment project databases, and company databases. PMR arranges business meetings for executive staff and conduct custom projects for companies and institutions as well as having a successful track record of developing data analysis tools.

For over 20 years now, we have helped more than 500 global corporations and a number of local companies in the construction, implementation, and monitoring of their business strategy. The results of our work are unique data, forecasts, and analysis. Thanks to our knowledge combined with the many years of experience of our analytical teams, our clients always increase market share, improve their sales figures and successfully expand into new markets.
