

DIAGNOSTIC IMAGING SERVICES MARKET IN POLAND 2024

Market analysis and development forecasts for 2024-2029

TABLE OF CONTENTS

Executive summary	8
Size of the diagnostic imaging services market in Poland	21
Value of the market in 2020-2023 and PMR forecast for 2024-2029	21
Market value structure in 2020-2023 and PMR forecast for 2024-2029	24
By type of test	24
By funding source	26
Average market prices in 2024 by type of test	27
Structure of the number of tests in 2023 by type of test	28
Main trends and key factors influencing the diagnostic imaging services market in Poland	31
Macroeconomic and demographic factors	31
General macroeconomic outlook	32
Growth rate of prices in general and of the prices of medical services and products	33
Labour market situation	34
Population's financial situation	35
Demographic situation	35
Demand-side factors	36
Post-pandemic health debt drives the market	37
Three in five Poles die from cardiovascular disease or cancer	37
Preventive care appreciated by private patients	43
Poles' health: physical activity and diet	45

Supply-side factors	46
Healthcare expenditure in EU countries surpasses the figure for Poland	46
Availability of radiologists as a significant challenge for the industry	47
Market consolidation	48
Service waiting time is changing, but is it improving?	50
Major drivers in the development of diagnostic imaging according to laboratory managers	51
Major barriers in the development of diagnostic imaging according to laboratory managers	52
Technological factors	53
AI	53
Innovations in diagnostics	56
Legal factors	56
Quality of treatment	56
AI in the Labour Code	57
KPO	58
Reporting the time of diagnostic impressions carried out under the NFZ	58
Overview of the main segments of the diagnostic imaging market in Poland	59
CT	59
Value of the market in 2020-2023 and PMR forecast for 2024-2029	59
Growth drivers and barriers	60
Number and age of machines	60
Potential for development of facilities	62
Ultrasound	63
Value of the market in 2020-2023 and PMR forecast for 2024-2029	63
Growth drivers and barriers	64
Number and age of machines	64
Potential for development of facilities	65
MRI	67
Value of the market in 2020-2023 and PMR forecast for 2024-2029	67
Growth drivers and barriers	68
Number and age of machines	68
Potential for development of facilities	70
X-ray	71
Value of the market in 2020-2023 and PMR forecast for 2024-2029	71
Growth drivers and barriers	72
Number and age of machines	72
Potential for development of facilities	73

PET	75
Value of the market in 2020-2023 and PMR forecast for 2024-2029	75
Growth drivers and barriers.....	76
Number and age of machines.....	76
Potential for development of facilities.....	77
Mammography	78
Value of the market in 2020-2023 and PMR forecast for 2024-2029	78
Growth drivers and barriers.....	79
Number and age of machines.....	79
Nuclear medicine	81
Value of the market in 2020-2023 and PMR forecast for 2024-2029	81
Growth drivers and barriers.....	81
Number and age of machines.....	82
Prospects for the development of the individual diagnostic imaging segments in 2024-2026	83
Market segments with the best prospects.....	83
Expected direction of change in the number of tests by segment.....	84
Expected average annual growth rate of the number of tests by segment.....	85
Overview of service providers in the diagnostic imaging services market in Poland	87
Number of diagnostic imaging laboratories in 2020 and 2024.....	87
Structure of the laboratory by type of tests performed.....	88
Laboratory structure by ownership form	89
Laboratory structure by voivodship.....	90
Potential for the development of diagnostic imaging facilities in Poland.....	93
In total.....	93
By hospital and non-hospital facilities.....	94
By private and public facilities	99
Financial situation of diagnostic laboratories in 2024-2025.....	103
Main needs of diagnostic laboratories	104
Planned purchases of diagnostic imaging equipment.....	105
Major service providers in the diagnostic imaging services market in Poland	108
Revenues of the major medical companies in 2020-2024.....	108
Number of laboratories of the major players	110
Major entities with NFZ contracts – services contracted separately.....	110

Profiles of the major chains of diagnostic laboratories	112
Affidea	112
Enel-Med	115
Voxel Group.....	119
LUX MED Group.....	123
PZU Zdrowie Group.....	126
Helimed.....	130
Medicover.....	133
Polmed.....	136
Scanmed.....	139
WizjaMed.....	142
Largest equipment suppliers in the diagnostic imaging services market in Poland	145
Awareness of diagnostic imaging equipment brands.....	145
Use of different brands of equipment	147
X-ray	148
Ultrasound.....	148
CT.....	149
MRI.....	149
Appendix	150
NFZ spending on separately contracted diagnostic imaging services in 2020-H1 2024	150
In total.....	150
By type of test.....	151
Number of separately contracted diagnostic imaging tests under the contract with the NFZ in 2020-H1 2024	152
In total.....	152
By type of test.....	153
Methodology of the report.....	155
List of graphs.....	164
List of tables.....	169
About PMR.....	172

LIST OF GRAPHS

1. PMR forecast: Value (PLN m) and change (% YoY) of the diagnostic imaging services market in Poland, 2020-2029.....	22
2. PMR forecast: Value of the diagnostic imaging services market in Poland (PLN m), by funding source, 2020-2029.....	26
3. PMR forecast: Value structure of the diagnostic imaging services market in Poland (%), by funding source, 2020-2029.....	26
4. Average unit prices per test in the diagnostic imaging services market in Poland (PLN), by type of test, 2024.....	28
5. Estimated shares of individual types of tests in the total number of tests in the diagnostic imaging services market in Poland (%), 2023.....	29
6. Estimated shares of individual types of tests in the number of privately funded tests in the diagnostic imaging services market in Poland (%), 2023.....	29
7. Estimated shares of individual types of tests in the number of publicly funded tests in the diagnostic imaging services market in Poland (%), 2023.....	30
8. PMR forecast: GDP per capita and real GDP change in Poland, 2020-2029.....	32
9. PMR forecast: Overall CPI inflation and inflation of outpatient and other medical services in Poland (% YoY), 2020-2029.....	33
10. PMR forecast: Average annual LFS unemployment rate and real change in average monthly gross wage in Poland, 2020-2029.....	34
11. PMR forecast: Real growth of household disposable income and private consumption in Poland (% YoY), 2020-2029.....	35
12. Main causes of death in Poland (%), 2022.....	38
13. Deaths from cardiovascular diseases in Poland (%), 2022.....	39
14. Incidence of malignant tumours in Poland, 2016-2021.....	40
15. Number of DiLO cards issued in Poland, 2020-2024.....	40
16. Share of overweight or obese children in Poland (%), 2002, 2007, 2012, 2017 and 2022.....	42

17. Comorbidities that are most often associated with obesity in Poland (%), 2023.....	42
18. Expenditure on healthcare in Poland and in selected EU countries (€ per capita in relation to % of GDP), 2022.....	46
19. Number of electroradiology technicians in Poland, 2018-2022.....	47
20. Waiting times for diagnostic tests in Poland (months), March/April 2024.....	50
21. Key drivers to the development of the diagnostic imaging market in Poland (%), by laboratory location, 2024.....	52
22. Key barriers to the development of the diagnostic imaging market in Poland (%), by laboratory location, 2024.....	53
23. PMR forecast: Value (PLN m) and change (% YoY) of the CT market in Poland, 2020-2029.....	60
24. Number of CT machines and change (% YoY) of installed equipment in Poland, 2017-2022.....	61
25. Saturation of facilities equipped with CT machines in Poland, by county, 2024.....	62
26. Potential for development of facilities equipped with CT machines in Poland, by county, 2024.....	63
27. PMR forecast: Value (PLN m) and change (% YoY) of the ultrasound market in Poland, 2020-2029.....	64
28. Number of ultrasound machines and change (% YoY) of installed equipment in Poland, 2017-2022.....	65
29. Saturation of facilities equipped with ultrasound machines in Poland, by county, 2024.....	66
30. Potential for development of facilities equipped with ultrasound machines in Poland, by county, 2024.....	67
31. PMR forecast: Value (PLN m) and change (% YoY) of the MRI market in Poland, 2020-2029.....	68
32. Number of MRI machines and change (% YoY) of installed equipment in Poland, 2017-2022.....	69
33. Saturation of facilities equipped with MRI machines in Poland, by county, 2024.....	70
34. Potential for development of facilities equipped with MRI machines in Poland, by county, 2024.....	71
35. PMR forecast: Value (PLN m) and change (% YoY) of the X-ray market in Poland, 2020-2029.....	72
36. Number of X-ray machines and change (% YoY) of installed equipment in Poland, 2017-2022.....	73
37. Saturation of facilities equipped with X-ray machines in Poland, by county, 2024.....	74
38. Potential for development of facilities equipped with X-ray machines in Poland, by county, 2024.....	75
39. PMR forecast: Value (PLN m) and change (% YoY) of the PET market in Poland, 2020-2029.....	76
40. Number of PET machines and change (% YoY) of installed equipment in Poland, 2017-2022.....	77
41. Number of PET laboratories in Poland, July 2010-October 2024.....	78
42. PMR forecast: Value (PLN m) and change (% YoY) of the mammography market in Poland, 2020-2029.....	79
43. Number of mammography machines and change (% YoY) of installed equipment in Poland, 2017-2022.....	80
44. PMR forecast: Value (PLN m) and change (% YoY) of the SPECT market in Poland, 2020-2029.....	81

45. Number of gamma cameras and change (% YoY) of installed equipment in Poland, 2017-2022	82
46. Most prospective diagnostic imaging segments in Poland (%), 2024-2026.....	84
47. Expected direction of change in the number of diagnostic imaging tests performed in Poland in the next three years, by segment, 2024-2026.....	85
48. Expected average annual growth rate of the number of tests in the individual diagnostic imaging segments in Poland (%), 2024-2026	86
49. Number of diagnostic imaging laboratories in Poland, 2020 and 2024.....	87
50. Structure of the number of diagnostic imaging laboratories in Poland (%), by type of tests performed, July 2020.....	88
51. Structure of the number of diagnostic imaging laboratories in Poland (%), by type of tests performed, June 2024	89
52. Structure of the number of diagnostic laboratories in Poland (%), by ownership form and type of tests performed, June 2024	90
53. Structure of the number of diagnostic laboratories in Poland (%), by ownership form and voivodship, June 2024.....	92
54. Saturation of diagnostic imaging facilities in Poland, by county, 2024.....	93
55. Potential for development of diagnostic imaging facilities in Poland, by county, 2024	94
56. Saturation of non-hospital diagnostic imaging facilities in Poland, by county, 2024.....	95
57. Potential for development of non-hospital diagnostic imaging facilities in Poland, by county, 2024	96
58. Saturation of hospital diagnostic imaging facilities in Poland, by county, 2024	97
59. Potential for development of hospital diagnostic imaging facilities in Poland, by county, 2024	98
60. Saturation of private diagnostic imaging facilities in Poland, by county, 2024.....	99
61. Potential for development of private diagnostic imaging facilities in Poland, by county, 2024	100
62. Saturation of public diagnostic imaging facilities in Poland, by county, 2024.....	101
63. Potential for development of public diagnostic imaging facilities in Poland, by county, 2024.....	102
64. Assessment of the current financial situation of diagnostic imaging laboratories in Poland compared to the previous year (%), July/August 2024.....	103
65. Predictions for the financial situation of diagnostic imaging laboratories in Poland in 2025 (%), July/August 2024.....	103
66. Main needs of diagnostic imaging laboratories in Poland (%), 2024.....	104
67. Main needs of diagnostic imaging laboratories in Poland (%), by laboratory location, 2024.....	105
68. Planned purchases of diagnostic imaging equipment in Poland (%), 2024-2026	106
69. Planned purchases of diagnostic imaging equipment in Poland (%), by segment, 2021-2023 and 2024-2026	106
70. Types of diagnostic imaging equipment which facilities in Poland plan to purchase (%), 2024-2026	107
71. Number and structure of diagnostic imaging laboratories of Affidea in Poland (%), by type of tests performed, June 2024	113

72. Affidea's revenues (PLN m) and change (% YoY), 2020-2023.....	113
73. Number and structure of diagnostic imaging laboratories of Enel-Med in Poland (%), by type of tests performed, June 2024.....	116
74. Enel-Med Group's revenues in Poland (PLN m) and change (% YoY), 2020-H1 2024.....	117
75. Structure of Enel-Med Group's revenues in Poland (%), by medical division, 2021-2023.....	117
76. Change in selected revenues from Enel-Med Group's individual segments in Poland (%), 2022-2023.....	118
77. Number and structure of diagnostic imaging laboratories of Voxel in Poland (%), by type of tests performed, June 2024.....	120
78. Voxel Group's revenues in Poland (PLN m) and change (% YoY), 2020-H1 2024.....	121
79. Voxel Group's revenues in Poland (PLN m) and change (% YoY) in the Diagnostics segment, 2020-H1 2024.....	121
80. Structure of the Voxel Group's revenues in the Diagnostics segment in Poland (%), by form of test funding, 2020-H1 2024.....	121
81. Number and structure of diagnostic imaging laboratories of the LUX MED Group in Poland (%), by type of tests performed, June 2024.....	124
82. LUX MED Group's revenues in Poland (PLN m) and change (% YoY), 2020-2023.....	124
83. Structure of the LUX MED Group's revenues in Poland (%), by source of funding, 2020-2023.....	125
84. Number and structure of diagnostic imaging laboratories of PZU Zdrowie in Poland (%), by type of tests performed, June 2024.....	127
85. PZU Zdrowie's revenues (PLN m) and change (% YoY) in Poland, 2020-2024.....	128
86. Tomma Diagnostyka Obrazowa's revenues (PLN m) and change (% YoY), 2020-2023.....	128
87. Number and structure of diagnostic imaging laboratories of Helimed in Poland (%), by type of tests performed, June 2024.....	131
88. Helimed's revenues in Poland (PLN m) and change (% YoY), 2020-2023.....	131
89. Number and structure of diagnostic imaging laboratories of Medicover in Poland (%), by type of tests performed, June 2024.....	134
90. Medicover's revenues in Poland (PLN m) and change (% YoY), 2020-H1 2024.....	134
91. Medicover's revenues in Poland (%), by segment, 2020-2023.....	135
92. Number and structure of diagnostic imaging laboratories of Polmed in Poland (%), by type of tests performed, June 2024.....	137
93. Polmed Group's revenues in Poland (PLN m) and change (% YoY), 2020-2023.....	137
94. Structure of Polmed Group's revenues in Poland (%), by medical division, 2020-2023.....	138
95. Polmed Diagnostyka's revenues in Poland (PLN m) and change (% YoY), 2020-2023.....	138
96. Number and structure of diagnostic imaging laboratories of Scanmed in Poland (%), by type of tests performed, June 2024.....	140
97. Scanmed Group's revenues in Poland (PLN m) and change (% YoY), 2022-2023.....	140
98. Structure of Scanmed Group's revenues in Poland (PLN thousand), by business division, 2023.....	141
99. Number and structure of diagnostic imaging laboratories of WizjaMed in Poland (%), by type of tests performed, June 2024.....	143

100. WizjaMed's revenues (PLN m) and change (% YoY), 2020-2023.....	144
101. Total brand awareness in relation to equipment used in diagnostic imaging in Poland (%), 2024	146
102. Brand awareness in relation to equipment used in diagnostic imaging in Poland (%), spontaneous and aided awareness, 2024	147
103. Use of X-ray machine brands in Poland (%), 2024.....	148
104. Use of ultrasound machine brands in Poland (%), 2024.....	148
105. Use of CT machine brands in Poland (%), 2024	149
106. Use of MRI machine brands in Poland (%), 2024	149
107. NFZ spending on diagnostic imaging in Poland (PLN m) and change (% YoY), separately contracted services, 2020-H1 2024	151
108. Change in NFZ spending on individual types of diagnostic imaging tests in Poland (% YoY), separately contracted services, 2020-2023	152
109. Structure of NFZ contracts for diagnostic imaging in Poland (%), by type of test, separately contracted services, 2020-H1 2024	152
110. Number (thousand) and change (% YoY) of imaging tests under the contract with the NFZ in Poland, separately contracted services, 2020-H1 2024	153
111. Change in the number of individual types of diagnostic imaging tests performed under the contract with the NFZ in Poland (% YoY), separately contracted services, 2020-2023.....	154
112. Structure of the number of individual types of diagnostic imaging tests performed under the contract with the NFZ in Poland (%), separately contracted services, 2020-H1 2024.....	154

LIST OF TABLES

1. PMR forecast: Value of the individual segments of the diagnostic imaging services market in Poland (PLN m), 2020-2029.....	24
2. PMR forecast: Change in the value of the individual segments of the diagnostic imaging services market in Poland (% YoY), 2020-2029	24
3. PMR forecast: Structure of the diagnostic imaging services market in Poland (%), by segment value, 2020-2029	25
4. PMR forecast: Change in the value of the diagnostic imaging services market in Poland (% YoY), by funding source, 2020-2029.....	26
5. PMR forecast: Impact of macroeconomic and demographic factors on the diagnostic imaging services market in Poland, 2022-2029	31
6. PMR forecast: Number of residents in Poland, share of different demographic groups and number of residents including refugees from Ukraine, 2020-2029	36
7. PMR forecast: Impact of demand-side factors on the value of the diagnostic imaging services market in Poland, 2022-2029	36
8. Number of patients and services as part of primary health care, outpatient specialist care and hospital treatment in Poland financed by the NFZ (PLN m), 2018-2023.....	37
9. Number of patients and services as part of primary health care, outpatient specialist care and hospital treatment per capita in Poland financed by the NFZ, 2018-2023.....	37
10. Actual and standardised rates of the most common causes of hospitalisation for cardiovascular diseases in Poland, by gender, 2021	38
11. Approach to preventive check-ups in Poland (%), 2024	44
12. Regularity of engaging in physical activity among Poles (%), 2023.....	45
13. Ways of taking care of one's health in Poland (%), 2024.....	45
14. PMR forecast: Impact of supply-side factors on the value of the diagnostic imaging services market in Poland, 2022-2029	46

15. Number of specialists in diagnostic imaging in Poland, by degree of specialisation, June 2024.....	47
16. Selected acquisitions and mergers in the diagnostic imaging services market in Poland, 2023-October 2024.....	48
17. Opinions on the availability of private and public healthcare services (%), 2024	51
18. PMR forecast: Impact of technological factors on the value of the diagnostic imaging services market in Poland, 2022-2029.....	53
19. Scale and plans to implement AI in diagnostic imaging laboratories for test interpretation in Poland (%), by laboratory location, 2024.....	54
20. Scale and plans to implement remote diagnostic impressions (teleradiology) in diagnostic imaging laboratories in Poland (%), by laboratory location, 2024	54
21. Scale and plans to implement portable bedside imaging devices in Poland (%), by laboratory location, 2024.....	55
22. PMR forecast: Impact of legal factors on the value of the diagnostic imaging services market in Poland, 2022-2029.....	56
23. Key growth drivers and barriers for the CT market in Poland, 2024-2029.....	60
24. Average age of CT machines installed in Poland, by voivodship, 2017-2022.....	61
25. Key growth drivers and barriers for the ultrasound market in Poland, 2024-2029.....	64
26. Average age of ultrasound machines installed in Poland, by voivodship, 2017-2022.....	65
27. Key growth drivers and barriers for the MRI market in Poland, 2024-2029.....	68
28. Average age of MRI machines installed in Poland, by voivodship, 2017-2022	69
29. Key growth drivers and barriers for the X-ray market in Poland, 2024-2029.....	72
30. Average age of X-ray machines installed in Poland, by voivodship, 2017-2022.....	73
31. Key growth drivers and barriers for the PET market in Poland, 2024-2029	76
32. Average age of PET machines installed in Poland, by voivodship, 2017-2022	77
33. Key growth drivers and barriers for the mammography market in Poland, 2024-2029.....	79
34. Average age of mammography machines installed in Poland, by voivodship, 2017-2022	80
35. Key growth drivers and barriers for the scintigraphy market in Poland, 2024-2029	81
36. Average age of gamma cameras installed in Poland, by voivodship, 2017-2022	82
37. Number of diagnostic imaging laboratories in Poland, by voivodship, July 2020 and June 2024.....	91
38. Revenues of the selected major medical companies providing diagnostic imaging services in Poland (PLN m), 2020-2024.....	109
39. Change in revenues of the selected major medical companies providing diagnostic imaging services in Poland (% YoY), 2020-2024	109
40. Estimated share of the selected major players in the diagnostic imaging services market in Poland (%), by value, 2023.....	109
41. Number of diagnostic imaging laboratories of the selected medical companies in Poland, 2024.....	110
42. 20 non-public entities with the highest value of contracts for diagnostic imaging services in Poland (PLN m), 2020-2024.....	111

43. 10 public entities with the highest value of contracts for diagnostic imaging services in Poland (PLN m), 2020-2024.....	111
44. Basic information about activity of Affidea in Poland, 2024	112
45. Basic information about activity of Enel-Med in the area of diagnostic imaging in Poland, 2024	115
46. Basic information about activity of the Voxel Group in Poland, 2024	119
47. Basic information about activity of LUX MED Diagnostyka in Poland, 2024	123
48. Basic information about activity of PZU Zdrowie in the area of diagnostic imaging in Poland, 2024	126
49. PZU Zdrowie's revenues in Poland (PLN m) and change (% YoY), by segment of operation, 2020-H1 2024	128
50. Basic information about activity of Helimed in Poland, 2024.....	130
51. Basic information about activity of Medicover in the area of diagnostic imaging in Poland, 2024	133
52. Basic information about activity of Polmed in the area of diagnostic imaging in Poland, 2024	136
53. Basic information about activity of Scanmed in the area of diagnostic imaging in Poland, 2024	139
54. Basic information about activity of WizjaMed in Poland, 2024.....	142
55. NFZ spending on individual types of diagnostic imaging tests in Poland (PLN m), separately contracted services, 2020-H1 2024	151
56. Number of individual types of diagnostic imaging tests performed under the contract with the NFZ in Poland (thousand), separately contracted services, 2020-H1 2024	153

PMR | MARKET EXPERTS

PMR is a leading research and consulting company in Poland.

As experts in **consultancy and advisory services**, we specialise in providing **business solutions** for a variety of industries and businesses. Our services cover a range of areas, including **market analysis, business strategy, marketing** and **sales, finance** and **project management**, and the solutions we offer are always adapted to the **individual** needs and requirements of our client.

We provide **unique market research** not only in **Europe**, but also **globally** with development forecasts in the economic, technological and social areas. In our work, we cross-reference data from primary and secondary sources, which combined with over **25 years of experience** enables us to achieve **very high precision in our results**. We also identify key trends and events driving market changes in the short and long term.

We also offer **industry reports** on the markets in Poland and other European countries. We specialise in such industries as **retail, ICT, construction, healthcare and pharmaceuticals**.

For years, we have been **coordinating and carrying out field research across Europe** and conducting B2B surveys using CATI and TDI techniques. We are a member of **ESOMAR** (European Society of Opinion and Marketing Research Professionals), with its mission to raise the **quality and ethical standards** of public opinion and market research.

PMR's multidisciplinary team consists of experienced **business consultants, qualitative and quantitative researchers, economists, econometricians** and **sociologists** who have the necessary **skills and knowledge** to help our clients **succeed** in the competitive business world.

PMR offers:

CONSULTING AND ADVISORY

- Development strategy
- Marketing and sales
- Mergers, acquisitions and PMI
- Due diligence

DIGITAL TRANSFORMATION

- Digital strategy
- Digital transformation

MARKETING STUDIES

- Surveys
- Qualitative interviews
- Fieldwork studies

MARKET KNOWLEDGE

- Industry reports
- Industry insights
- Market research on request

ICT

CONSTRUCTION

PHARMA

RETAIL
