

# PUBLIC AND NON-PUBLIC HOSPITAL MARKET IN POLAND

# 2025

Investment plans and comparative analysis  
by voivodship

January 2025

# TABLE OF CONTENTS

---

<b>Executive summary</b> .....	8
<b>Size of the public and non-public hospital market in Poland in 2017-2024</b> .....	19
In total .....	19
By form of hospital ownership .....	21
By hospital size .....	22
By voivodship .....	23
<b>Main trends and key factors influencing the public and non-public hospital market in Poland</b> .....	25
Macroeconomic and demographic factors .....	26
General macroeconomic outlook .....	26
Rate of price increases in total and price index for inpatient services .....	27
Labour market situation in Poland .....	28
Population's financial situation .....	29
Demographic situation .....	30
War in Ukraine and the geopolitical environment .....	31
Demand-side factors .....	32
Two in five Poles used inpatient services in 2024 .....	32
Fewer than one in 10 patients finances their inpatient treatment with private funds .....	34
Three in five Poles die of cardiovascular disease or cancer .....	35
Share of catering in Poland's hospitals is increasing .....	41
More than half of hospital managers are seeing an increase in patient numbers .....	42
Number of provided inpatient services is increasing .....	43
Record low birth rate in Poland .....	44

Supply-side factors .....	46
Double-digit increase in NFZ expenses on inpatient treatment in 2023-2024 .....	46
Nearly three-quarters of managers expect deterioration in the NFZ funding .....	48
Healthcare staff growing at a higher rate than in 2017-2022 .....	49
Stable structure of the hospital market in Poland .....	56
Recovery in the hospital investment market .....	59
PMR Hospital Outcomes Index .....	61
Technological factors .....	61
Progressing digitalisation and automation of hospitals .....	62
Hospitals focus on developing treatment methods .....	63
Legal factors .....	64
Legal changes expected by hospitals .....	64
National Oncology Network .....	65
Mental health support .....	66
National Cardiology Network .....	67
Inverted Pyramid of Care .....	67
<b>Critical factors determining the performance of hospitals according to managers</b> .....	68
Critical factors determining the performance .....	68
Growth drivers .....	69
Growth barriers .....	70
Evaluation of hospital performance .....	71
<b>Hospital financial standing</b> .....	73
Hospitals' revenue and net financial result in 2020-2023 .....	73
Share of NFZ contracts in revenues from inpatient treatment in 2021-2024 .....	74
Growing hospital debt .....	75
Hospitals' financial standing in 2024 .....	76
Expected financial standing of hospitals in 2025 .....	76
<b>Investment in hospital infrastructure</b> .....	78
Hospital facilities built in 2021-2024 .....	78
Expenditure on medical devices .....	78
Types of planned investments in 2025-2027 .....	79
Sources of funding for investment projects .....	80
Construction of public and non-public hospitals in 2025-2030 .....	82
Establishment of new hospital wards in 2025-2027 .....	82
Likelihood of new hospital operators entering the market .....	83
Planned equipment purchases in 2025-2027 .....	83

<b>Analysis of the hospital market: number of facilities and beds</b> .....	85
Market structure by form of ownership.....	85
Largest hospitals.....	86
Public hospitals .....	87
Private hospitals .....	88
Hospitals with ST or LGU shareholding .....	90
<b>Analysis of the hospital market: value of contracts with the NFZ for inpatient treatment</b> .....	92
Market structure by form of ownership.....	92
Largest entities with the NFZ contracts.....	94
Public hospitals .....	94
Private hospitals .....	95
Hospitals with ST or LGU shareholding .....	96
<b>Analysis of the hospital market: value and number of hospital treatments under the DRG</b> .....	98
Value .....	98
Number .....	100
Average cost.....	102
<b>Analysis of the hospital market: specialisations</b> .....	105
Wards by hospital ownership.....	105
Most common specialisations by number of beds.....	108
Public hospitals .....	108
Private hospitals .....	109
Hospitals with ST or LGU shareholding .....	109
Best and worst performing specialisations in the private hospital sector in 2024.....	110
Specialisations with the best prospects in 2025-2027.....	112
Specialisations with the poorest prospects in 2025-2027 .....	113
<b>Annex</b> .....	115
Analysis of the hospital market: value of hospital treatments under the DRG.....	115
Structure by voivodship .....	115
Structure by product code within selected DRG groups.....	116
Analysis of the hospital market by voivodship.....	117
Number of hospitals and hospital beds .....	117
Ownership structure .....	121
Largest players: number of beds.....	127
Saturation with hospital beds.....	129

Most common specialisations .....	130
NFZ contracts for inpatient treatment .....	132
Largest players: NFZ contracts for inpatient treatment.....	135
<b>Analysis of the hospital market in selected cities .....</b>	<b>137</b>
Number of hospitals and hospital beds .....	137
Ownership structure.....	140

## LIST OF GRAPHS

1.	Number of hospitals in Poland and its change (%), 2017-2024.....	20
2.	Number of unique companies running hospitals in Poland and its change (%), 2017-2024.....	20
3.	Number of hospital beds (thousand) in Poland and its change (%), 2017-2024.....	20
4.	Key information on the hospital market in Poland, by form of ownership, 2024.....	21
5.	Number of public and non-public hospitals' unique NIP numbers in Poland, 2017-2024.....	22
6.	Population per hospital bed in public and non-public hospitals in Poland (thousand), 2018-2024.....	22
7.	Structure of the number of hospitals in Poland, by hospital size, 2024.....	23
8.	Structure of the number of hospital beds in Poland, by hospital size, 2024.....	23
9.	Key information on hospitals in the different voivodships in Poland, 2024.....	24
10.	PMR forecast: GDP per capita and real GDP change in Poland, 2021-2030.....	26
11.	PMR forecast: CPI and prices of inpatient services in Poland (% YoY), 2021-2030.....	28
12.	PMR forecast: Average annual LFS unemployment rate and real change of average monthly gross wage in Poland, 2021-2030.....	29
13.	PMR forecast: Real growth of household disposable income and private consumption in Poland (% YoY), 2021-2030.....	30
14.	Share of Poles reporting the use of inpatient services in Poland (%), including hospital emergency departments, 2023-2024.....	33
15.	Share of Poles reporting the use of inpatient services in Poland (%), excluding hospital emergency departments, 2023-2024.....	34
16.	Sources of funding for inpatient services among Poles reporting their use in Poland (%), 2023-2024.....	35
17.	Sources of funding for inpatient services among Poles reporting their use in Poland (%), by type of service, 2024.....	35
18.	Main causes of death in Poland (%), 2022.....	36
19.	Deaths from cardiovascular diseases in Poland (%), 2022.....	37
20.	Incidence of malignant tumours in Poland, 2016-2021.....	38

21. Number of DiLO cards issued in Poland, 2020-2024 .....	38
22. Comorbidities most often associated with obesity in Poland (%), 2023.....	40
23. Form of meal preparation in hospitals in Poland (%), by form of ownership, 2024.....	42
24. Change in the number of patients admitted to hospitals in Poland in 2024 compared to 2023 (%), by form of ownership, 2024 .....	42
25. Number of patients (million) in inpatient treatment under the NFZ in Poland and its change (% YoY), 2019-2023.....	43
26. Number of hospital admissions to provide inpatient treatment under the NFZ in Poland (million) and its change (% YoY), 2019-2023 .....	43
27. Number of healthcare services provided within the hospital chain system (PSZ) in Poland (million), by type of service, 2019-2023 .....	44
28. Change in the number of healthcare services provided within the hospital chain system (PSZ) in Poland (% YoY), by type of service, 2020-2023 .....	44
29. PMR forecast: Number of live births in Poland (thousand) and its change (% YoY), 2020-2029 .....	45
30. PMR forecast: Number of children up to 3 years of age in Poland (thousand) and its change (% YoY), 2020-2029 .....	45
31. PMR forecast: Number of children between 4 and 6 years of age in Poland (thousand) and its change (% YoY), 2020-2029 .....	45
32. PMR forecast: Number of children between 7 and 12 years of age in Poland (thousand) and its change (% YoY), 2020-2029 .....	46
33. NFZ spending on inpatient treatment in Poland (PLN bn) and its change (% YoY), 2019-2024 .....	47
34. Value of healthcare services provided in the hospital chain system (PSZ) in Poland (PLN m), by type of service, 2019-2023.....	47
35. Change in the value of healthcare services provided within the hospital chain system (PSZ) in Poland (% YoY), by type of service, 2020-2023 .....	48
36. Opinions on whether the NFZ funding of inpatient treatment will deteriorate in the next three years (%), 2023-2024.....	48
37. Opinions on the ability of non-public hospitals to obtain NFZ funding in Poland (%), 2020 and 2023-2024.....	49
38. Number of registered healthcare staff in Poland, 2020-2022 .....	50
39. PMR forecast: Number of healthcare professionals (doctors, dentists, nurses and midwives) in Poland (thousand), 2020-2029 .....	51
40. Number of doctors with the right to practise in Poland and its change (% YoY), 2019-2022 .....	52
41. Number of practising doctors in Poland, by voivodship, 2024.....	53
42. Number of practising dentists in Poland, by voivodship, 2024 .....	54
43. Number of specialists in Poland, by voivodship, 2020-2022.....	55
44. Number of medical staff in Poland providing services as part of the NFZ (thousand), 2021-2022 .....	56
45. Degree of concentration of the 20 largest hospitals in terms of bed count and NFZ inpatient treatment contract value in the hospital market in Poland (%), by form of ownership, 2024 .....	57
46. Degree of concentration of the 20 largest public hospitals in terms of bed count and NFZ inpatient treatment contract value in the public hospital market in Poland (%), 2024.....	57

47. Degree of concentration of the 20 largest private hospitals in terms of bed count and NFZ inpatient treatment contract value in the private hospital market in Poland (%), 2024 .....	57
48. Degree of concentration of the 20 largest transformed hospitals in terms of bed count and NFZ inpatient treatment contract value in the transformed hospital market in Poland (%), 2024 .....	58
49. Responses to the statement: Smaller hospitals will be acquired by larger entities in Poland in the next three years (%), 2023-2024 .....	59
50. Responses to the statement: Smaller hospitals will be acquired by larger entities in Poland in the next three years (%), by form of ownership, December 2024 .....	59
51. PMR Hospital Outcomes Index in Poland, by form of ownership, 2012-2024 .....	61
52. Implementation of new technologies in hospitals in Poland (%), 2023-2024 .....	63
53. Most desirable legal changes for the hospital sector in Poland (%), by form of ownership, 2024 .....	65
54. Critical factors determining the performance of hospitals in Poland in 2024 (%), by form of ownership, December 2024 .....	68
55. Critical factors determining the performance of hospitals in Poland in 2025 (%), by form of ownership, December 2024 .....	69
56. Key growth drivers for hospitals in Poland (%), by form of ownership, 2025 .....	70
57. Key growth barriers for hospitals in Poland (%), by form of ownership, 2025 .....	71
58. Hospital managers' opinions on selected statements concerning the operation of hospitals in Poland (%), December 2024 .....	72
59. Structure of revenues of private hospitals in Poland (%), by funding source, 2016-2022 .....	75
60. Net profit/loss of local government independent healthcare facilities in Poland (PLN m), 2013-2023 .....	75
61. Debt due of SP ZOZ in Poland (PLN m) and its change (%), 2013-Q2 2024 .....	76
62. Assessment of the current financial standing of hospitals in Poland compared to the previous year (%), by form of ownership, December 2024 .....	76
63. Expected financial standing of hospitals in Poland in the coming year (%), by form of ownership, December 2024 .....	77
64. Average share of expenditure on medical devices in total hospital expenditure in Poland, 2017-2024 .....	79
65. Hospitals' investment plans for 2025-2027 in Poland (%), by form of ownership, December 2024 .....	80
66. Main sources of funding for hospital investment projects in Poland (%), 2025-2027 .....	81
67. Responses to the statement: New major hospital operators will enter the Polish market in 2025-2027 (%), by form of ownership, December 2024 .....	83
68. Percentage of hospitals planning to purchase medical equipment in Poland (%), by type of equipment, 2025-2027 .....	84
69. Key information on the number of beds in hospital wards in Poland, by form of ownership, 2024 .....	86
70. Structure of the number of facilities and the number of hospital beds in Poland (%), by form of ownership, 2024 .....	86
71. Key data on contracts with the NFZ for inpatient treatment in Poland, by form of ownership, 2024 .....	93

72. Value structure of the NFZ contracts for inpatient treatment in Poland (%), by form of ownership, 2023-2024.....	93
73. Share of contracts with public and non-public hospitals in the total NFZ spending on inpatient treatment in Poland (%), 2014-2024.....	94
74. Top 20 specialisations with the highest number of beds in Poland (%), by form of ownership, 2024.....	107
75. Structure of the number of beds in hospital wards in Poland (%), by specialisation, 2023-2024.....	108
76. Most common specialisations in public hospitals in Poland, by number of beds, 2022-2024.....	108
77. Most common specialisations in private hospitals in Poland, by number of beds, 2022-2024.....	109
78. Most common specialisations in hospitals operating as companies with ST or LGU shareholding in Poland, by number of beds, 2022-2024.....	109
79. Specialisations with the largest increase in the number of procedures performed in the private sector compared to 2023 in hospitals in Poland (%), 2024.....	110
80. Percentage of hospitals indicating a lack of specialisation with the largest increase in the number of procedures performed in the private sector in hospitals in Poland (%), 2023-2024.....	111
81. Specialisations with the best growth prospects in the public hospital sector in the coming three years in Poland (%), December 2024.....	112
82. Specialisations with the best growth prospects in the private hospital sector in the coming three years in Poland (%), December 2024.....	113
83. Specialisations with the poorest growth prospects in the public hospital sector in the coming three years in Poland (%), December 2024.....	113
84. Specialisations with the poorest growth prospects in the private hospital sector in the coming three years in Poland (%), December 2024.....	114
85. Number of hospitals in Poland, by voivodship, 2024.....	118
86. Structure of the number of hospitals in Polish voivodships (%), by hospital size, 2024.....	119
87. Number of beds in hospitals in Poland, by voivodship, 2024.....	120
88. Structure of the number of beds in Polish voivodships (%), by hospital size, 2024.....	121
89. Number of hospitals in Polish voivodships, by form of ownership, 2024.....	122
90. Structure of the number of hospitals in Polish voivodships (%), by form of ownership, 2024.....	124
91. Structure of the number of hospital beds in Polish voivodships (%), by form of ownership, 2024.....	126
92. Key information on contracts with the NFZ for inpatient treatment in Poland (PLN m), by voivodship and form of ownership, 2024.....	133
93. Value structure of the NFZ contracts for inpatient treatment in individual voivodships in Poland (%), by form of ownership, 2024.....	134
94. Structure of the number of hospitals in Polish cities with the largest number of hospitals (%), by hospital size, 2024.....	139
95. Structure of the number of hospital beds in Polish cities with the largest number of hospitals (%), by hospital size, 2024.....	140
96. Structure of the number of hospitals in Polish cities with the largest number of hospitals (%), by form of ownership, 2024.....	141
97. Number of hospital beds in Polish cities with the largest number of hospitals, by form of ownership, 2024.....	142

## LIST OF TABLES

1. Main factors and trends influencing the public and non-public hospital market in Poland, 2021-2030 .....	25
2. PMR forecast: Impact of macroeconomic and demographic factors on the value of the public and non-public hospital market in Poland, 2021-2030 .....	26
3. PMR forecast: Number of residents in Poland, share of different demographic groups and number of residents including refugees from Ukraine, 2021-2030 .....	31
4. PMR forecast: Impact of demand-side factors on the value of the public and non-public hospital market in Poland, 2021-2030 .....	32
5. Poles reporting the use of inpatient services in Poland in 2024 (%), by type of service, gender and age, January 2025 .....	34
6. Actual and standardised rates of the most common causes of hospitalisation for cardiovascular diseases in Poland, by gender, 2021 .....	36
7. Share of overweight or obese children in Poland (%), 2002, 2007, 2012, 2017 and 2022 .....	40

9. Number of healthcare professionals working with patients in Poland, by voivodship, 2022 .....	50
10. Number of doctors in Poland, by type of the right to practise, March 2024 .....	52
11. Number of dentists in Poland, by type of the right to practise, March 2024 .....	53
12. Selected acquisitions in the hospital market in Poland, 2023-January 2025 .....	58
13. PMR forecast: Impact of technological factors on the value of the public and non-public hospital market in Poland, 2021-2030 .....	61
14. Implementation stage of the different solutions for digitalisation and automation in hospitals in Poland (%), by form of ownership, December 2024 .....	62
15. Plans to implement innovation in hospitals in Poland in 2025-2027 (%), by form of ownership, December 2024 .....	64

16. PMR forecast: Impact of legal factors on the value of the public and non-public hospital market in Poland, 2021-2030 .....	64
17. Average revenues of healthcare entities operating hospitals in Poland (PLN m), by form of ownership, 2020-2023 .....	73
18. Average net result of healthcare entities operating hospitals in Poland (PLN m), by form of ownership, 2020-2023 .....	74
19. Estimated share of NFZ contracts in revenues from inpatient treatment generated by entities operating hospitals in Poland (%), broken down into public/transformed and private hospitals, 2021-2024 .....	74
20. Sample number of beds in planned hospital wards in Poland, 2025-2027 .....	82
21. 20 largest public hospitals in Poland, by number of beds, 2024 .....	88
22. 20 largest private hospitals in Poland, by number of beds, 2024 .....	89
23. Selected largest private hospital operators in Poland, by number of beds and hospitals, 2024 .....	90
24. 20 largest hospitals with ST or LGU shareholding in Poland, by number of beds, 2024 .....	91
25. 20 largest entities running public hospitals in Poland, by value of the NFZ contract for inpatient treatment (PLN m), 2024 .....	95
26. 20 largest entities running private hospitals in Poland, by value of the NFZ contract for inpatient treatment (PLN m), 2024 .....	96
27. 20 largest entities running hospitals in the form of a company with ST or LGU shareholding in Poland, by value of the NFZ contract for inpatient treatment (PLN m), 2024 .....	97
28. Value of provided hospital treatment in Poland (PLN m), by major DRG categories, 2021–Q1-Q3 2024 .....	99
29. Change in the value of provided hospital treatment in Poland (% YoY), by major DRG categories, 2021–Q1-Q3 2024 .....	100
30. Number of provided hospital treatment in Poland, by major DRG categories, 2021–Q1-Q3 2024 .....	101
31. Change in the number of provided hospital treatment in Poland (% YoY), by major DRG categories, 2021–Q1-Q3 2024 .....	102
32. Average cost of provided hospital treatment in Poland (PLN), by major DRG categories, 2021–Q1-Q3 2024 .....	103
33. Change in the average cost of provided hospital treatment in Poland (% YoY), by major DRG categories, 2021–Q1-Q3 2024 .....	104
34. Top 20 specialisations with the highest number of beds in Poland, by number of beds and its change (%), 2022-2024 .....	106
35. Value of provided hospital treatment under the DRG in Poland (PLN m), by voivodship, 2021–Q1-Q3 2024 .....	115
36. Top 25 DRG groups with the highest value of provided hospital treatment in Poland (PLN m), 2021–Q1-Q3 2024 .....	116
37. Shares of individual voivodships in the number of hospitals in Poland (%), by form of ownership, 2024 .....	123
38. Number of hospital beds in Polish voivodships, by form of ownership, 2024 .....	125

39. Shares of individual voivodships in the number of hospital beds in Poland (%), by form of ownership, 2024 .....	125
40. Largest public hospitals in Polish voivodships, by number of beds, 2024 .....	127
41. Largest private hospitals in Polish voivodships, by number of beds, 2024 .....	128
42. Largest hospitals with ST or LGU shareholding in Polish voivodships, by number of beds, 2024 .....	129
43. Number of residents per hospital bed in Polish voivodships, by form of ownership, 2024 .....	130
44. Top 20 specialisations with the highest number of beds in Poland, by voivodship, part 1, 2024 .....	131
45. Top 20 specialisations with the highest number of beds in Poland, by voivodship, part 2, 2024 .....	132
46. Largest entities running public hospitals, by value of the NFZ contract for inpatient treatment in individual voivodships in Poland (PLN m), 2024 .....	135
47. Largest entities running private hospitals, by value of the NFZ contract for inpatient treatment in individual voivodships in Poland (PLN m), 2024 .....	136
48. Largest entities running hospitals in the form of a company with ST or LGU shareholding, by value of the NFZ contract for inpatient treatment in individual voivodships in Poland (PLN m), 2024 .....	137
49. Key information on hospitals in cities with the highest number of hospitals in Poland, 2024 .....	138
50. Number of residents per hospital bed in Polish cities with the largest number of hospitals, by form of ownership, 2024 .....	143
51. Top 20 most popular specialisations, by number of beds in cities with the highest number of hospitals in Poland, 2024 .....	144

PMR

MARKET  
EXPERTS

## PMR is a leading research and consulting company in Poland.

As experts in **consultancy and advisory services**, we specialise in providing **business solutions** for a variety of industries and businesses. Our services cover a range of areas, including **market analysis, business strategy, marketing** and **sales, finance** and **project management**, and the solutions we offer are always adapted to the **individual** needs and requirements of our client.

We provide **unique market research** not only in **Europe**, but also **globally** with development forecasts in the economic, technological and social areas. In our work, we cross-reference data from primary and secondary sources, which combined with over **25 years of experience** enables us to achieve **very high precision in our results**. We also identify key trends and events driving market changes in the short and long term.

We also offer **industry reports** on the markets in Poland and other European countries. We specialise in such industries as **retail, ICT, construction, healthcare and pharmaceuticals**.

For years, we have been **coordinating and carrying out field research across Europe** and conducting B2B surveys using CATI and TDI techniques. We are a member of **ESOMAR** (European Society of Opinion and Marketing Research Professionals), with its mission to raise the **quality and ethical standards** of public opinion and market research.

**PMR's multidisciplinary team** consists of experienced **business consultants, qualitative and quantitative researchers, economists, econometricians** and **sociologists** who have the necessary **skills and knowledge** to help our clients **succeed** in the competitive business world.

## PMR offers:

### CONSULTING AND ADVISORY

- Development strategy
- Marketing and sales
- Mergers, acquisitions and PMI
- Due diligence

### DIGITAL TRANSFORMATION

- Digital strategy
- Digital transformation

### MARKETING STUDIES

- Surveys
- Qualitative interviews
- Fieldwork studies

### MARKET KNOWLEDGE

- Industry reports
- Industry insights
- Market research on request
