Sales revenues and net profit/loss of the EMC Group (PLN m), 2020-2023.....	95		

PMR

MARKET
EXPERTS

PMR is one of the leading research and consulting companies in Poland.

As experts in **advisory and consulting** services, we specialise in providing **business solutions** for various industries and businesses. Our services cover a range of areas, including **market analysis, business strategy, marketing and sales, finance** and **project management**, and the solutions offered are always adapted to the **individual** needs and requirements of our client.

We provide **unique market research** not only in **Europe**, but also **worldwide**, together with development forecasts in the economic, technological and social areas. In our work, we cross-refer data from primary and secondary sources, which combined with our more than **25 years of experience** allows us to achieve **unique precision of results**. We identify the main trends and events driving market changes in the short and long term.

We also offer **industry reports** on markets in Poland and in other European countries. Our specialty in this area are the **retail, ICT, construction** and **pharmaceutical and healthcare medical** sectors.

For years, we have been **coordinating and conducting fieldwork studies across Europe** and carrying out B2B research using CATI and TDI techniques. We are a member of the **ESOMAR** (European Society for Opinion and Marketing Research), whose mission is to raise the **quality** and **ethical standards** of opinion and market research.

PMR's multidisciplinary team consists of experienced **business consultants**, qualitative and quantitative **researchers, economists, econometricians** and **sociologists** who have the necessary **skills and knowledge** to help our clients **succeed** in the competitive business world.

PMR offers:

CONSULTING AND ADVISORY

- Development strategy
- Marketing and sales
- Mergers, acquisitions and PMI
- Due diligence

DIGITAL TRANSFORMATION

- Digital strategy
- Digital transformation

MARKETING STUDIES

- Surveys
- Qualitative interviews
- Fieldwork studies

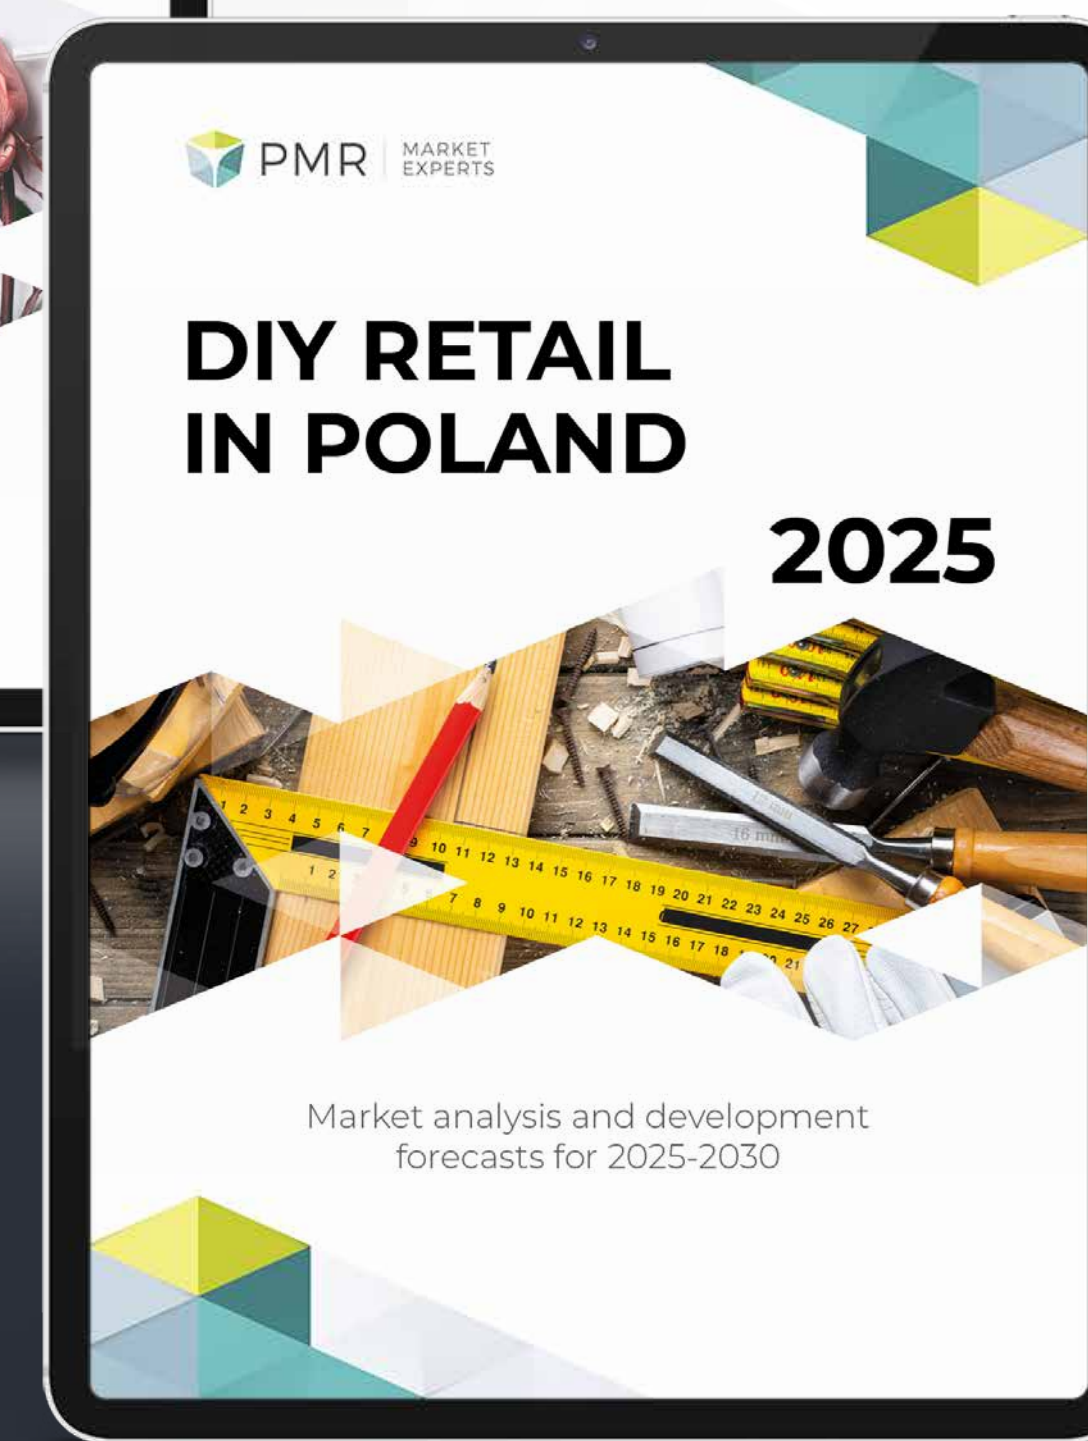

MARKET KNOWLEDGE

- Industry reports
- Industry insights
- Market research on request
